Warm greetings to the gentlemen from the
Gentlemen's Corner, Herb, Dave and Ted,

With my brothers Stu and Burr engaged
in the practice of law we could have been
to the legal profession what the Bloom
brothers have been to haberdashery. Alas
politics intervened.

Each of you have contributed to our
community in so many ways that it is quite
fitting that you be honored. The City of
Hope National Spirit of Life Award is a
testimony to your devoted community leader-
ship.

I wish the very best for you and your
families during the coming months and years,
and I challenge each of you to continue
your efforts to make Tucson the very best
town in the Second Congressional District
of Arizona.

Sincerely,

Morris K. Udall
Member of Congress
